An original application is one that has previously not been approved for an individual in a given vocation.

The VTO forms the basis of the training contract between the employer and the apprentice/trainee and identifies the structured training and qualification they will receive.
Traineeship	A traineeship is a work based training program which combines paid work with structured training. Traineeships are based on industry endorsed standards and result in nationally recognised qualifications.
Existing Worker Traineeship	An existing worker traineeship is an arrangement where the indentured trainee has been employed continuously by the employer for 3 months full-time or 12 months part-time (casual) immediately prior to commencing their traineeship.
Approvals Pending	This status indicates that the Training Arrangement application has not yet been approved by the DET ITA.

Financial and Calendar year figures represent approvals granted up until the the last date of the period of the report while last Financial year and last Calendar year figures represent the corresponding period for the previous year.
